

You are
personally Invited
to the

2024 DfG USA National Conference

Join us as we work tirelessly to ensure that every individual can navigate menstruation with dignity and ease. At our power packed conference, we will unite to create a world where periods are never a problem!

If you are interested in:

- Fostering an environment where access to menstrual health is a fundamental right
- Learning about menstrual health to break down barriers, promote equity, and ensure that menstruation is seen as a natural and normal aspect of life.
- Connecting with fellow DfG Chapters/Teams and volunteers
- Having the opportunity to exchange ideas, have FUN, and build community!

then this event is for you!
