

DAYS FOR GIRLS **IMPACT ZONES**

provide an easy-to-use system for Chapters and Teams to continue reaching people who menstruate, while ensuring efforts are not duplicated and local leadership is elevated in line with sustainable development best practices.

There are **3** DfG Impact Zones that countries are categorized into:

RED IMPACT ZONE

Countries with DfG and/or well-established Enterprise Program Activity.

ORANGE IMPACT ZONE

Countries with growing Enterprise Program Activity.

BLUE IMPACT ZONE

Countries without Enterprise Program Activity.

Each zone is accompanied by a list of four key areas that detail the activities that Chapters and Teams can engage in to support menstrual health within that zone:

1

DfG Washable Pad Kits 

2

Menstrual Health Education

3

DfG Advocacy Efforts

4

Sewing DfG Kits

RED ZONE

DfG Washable Pad Kits

Purchase Kits from Offices and Enterprises. Do not take Chapter/Team made Kits or Kit making supplies there.

[PURCHASE](#)

DfG Advocacy Efforts

Any leads? Fill out the Advocacy section of the form.

[ADVOCACY FORM](#)

Menstrual Health Education

Menstrual health education must be delivered by DfG trained menstrual health educators.

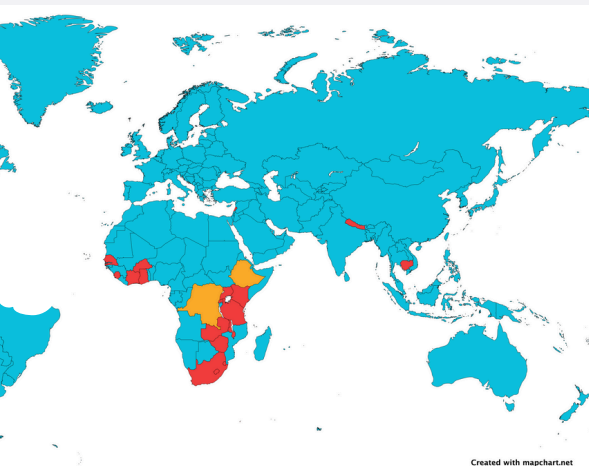

[HIRING MENSTRUAL HEALTH EDUCATORS](#)

Sewing DfG Kits

DfG's patented patterns are only available to Enterprises who have been accepted into the DfG program in this zone. Please do not teach unregistered individuals or groups in this zone to sew DfG components or Kits.
